JUNE 1966

## eesc Picnic

This Sunday, June 26th, is the date of eesc's "Alpine Picnic", so polish up your Maserati -- would you believe a VW? -- and prepare for a good time. This is a good chance to get to know the other members of the club as well as to introduce others to the club. Each member is encouraged to bring along another couple (in their own car), especially anyone interested in the club.

At the last meeting, the membership voted that anyone not bringing guests will be penalized by a stiff fine of 10¢. The fine is not much, but we really want to see a good turnout.

Pack some food and drink (enough for you and guests), your wife or (and?) girlfriend, and the kids and be at the BiMart Parking lot in Springfield between 9:00 am and 9:30 am Sunday morning. The club will leave at 9:30 am and tour by caravan to our destination - one of the lakes in the Cascades.

## AUTOCROSSING

Eleven eesc members treked down to the Christmas Valley Autocross for an overnight stay and a successful day of competition on June 12th. The strong turnout was rewarded by a \$10.00 award for club participation (we missed being the second largest club participating by only one person).

Dave Vitus, Don Crouch, and Dick Spies won first in class while Steve Annan and Nancy Green brought home second place trophies.

Four other members entered WMC's "Lime Line" Autocross in Salem on June 19th, but results are not known at this time.

## JUNE MEETING

Members at the June meeting approved joining ICNCSS, a northwest conference for sports car clubs. Membership will allow us to earn conference points in sports car events and to purchase insurance for our own events - especially autocrosses.

Willamette Motor Club, Cascade Sports Car club, Team Continental, Touring Club of Oregon, and Lake Oswego Motoring Club are among the other Oregon Club belonging to the conference.

## JULY MEETING

July's meeting will be held at the Eugene Water and Electric Board Cafeteria (see map on 2d page) on Wednesday, July 6th at the usual 7:30 pm time. Two movies will follow the meeting - one will be a surprise because the company did it again. All that was in the film case was stale air, so an airmail letter will be dispatched to them to see if we can have another swinger like last time. Also, there will be some film taken at the Salem Autocross. If you have never

enetered an autocross, this will help indoctrinate you.

People will be on hand to help you find your way to our meeting room.

A word from the President:

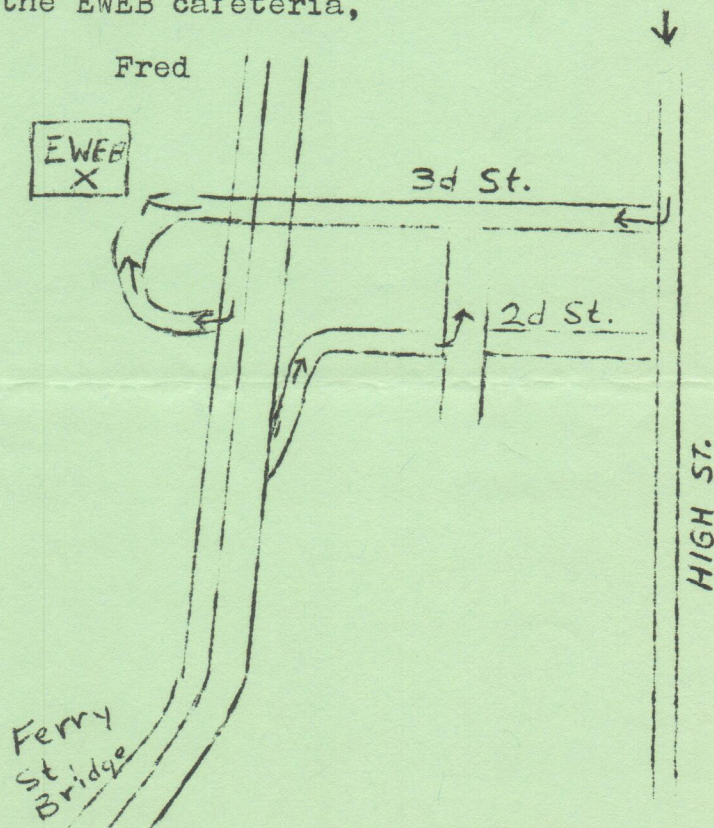

Due to very unfortunate cricumstances I will not be able to attend our tour this Suandy, but I am sure that everyone will have a great time. I will be thinking of you all taking those curves at 60 per.

I am enclosing a membership list in the envelopes going to members. There are two corrections that need to be made:

Delete Bob Tennent's name as he no longer wishes to be in our club;

Change Clark Skogsberg's phone number to 345-5730 (Sorry about that, Clark).

See you all on July 6 at the EWEB cafeteria,
