News Notes

You may wonder why I have a map at the top of the page - simple - we have grown too big for Sambo's, so we need more room for the summer. We will be meeting at the Skinner's Butte Recreation Hall until someone comes up with a better location. All suggestions welcome.

Our June meeting will be held on Tuesday, May 31st, at the above-named location at 7:30p.m. The movie will be the 1958 Sebring races.

If you still want to get your jackets (white) from Penney's, I will have all three sizes to try on (small, medium, and large). at the meeting Tuesday. A deposit of \$2.50 is all that is needed to order one. I am trying a group order through Penney's as they are out of small and large sizes.

I have submitted \$50.00 and an application to ICNSCC to see about getting insurance. We hope to have word soon on this.

The above pass is for OIR races. It is good only for Sunday's races (May 29th). Just clip it out and show it to the gate attendant.

By the way, the April results didn't mention it, but LOMC won the high club participation trophy.

Special note to out-of-town trophy winners: If you cannot pick up your trophy May 31st, let us know within 30 days, and we will mail it to you, unassembled.

Another word about the parking space pass - we have arranged parking space for all season for eesc members and their guests.
