Vol. I, No. 3

JANUARY MEETING

Guests at the January meeting included Elliott Long, Eugene, VW; and Dale Morrow, Eugene, Lotus Seven.

Movies of some of our hot shot autocrossers were shown at the meeting. Thanks to Erskine "The Naturalist" Wood, the members saw some good action shots of the TCO Sper-X held on December 11 (interspersed with some clips of purely local color interest--hoo ha!). Did you see the spinning Cobra? the Lotus with its front wheel in the air? Incidentally, "The Naturalist" has agreed to film members who run at our "Icebreaker I" for showing during our March meeting. If you're interested, line forms at the right--we want to see more wheels in the air.

It was announced at the meeting that we are out of jacket patches. Anyone wishing to purchase a patch contact Fred Jasmer, 746-2175. Let's have a good showing of club emblems when we all turn out to work "Icebreaker I".

Speaking of "Icebreaker," plans are going on apace. All members will be personally contacted to obtain a maximum number of workers. This is our first autocross, and we think it should be our best event. It would be nice to see every member at least put in an appearance at the autocross.

NEW MEMBERS

We welcome three new members to eescc during the month of January. Add their names to your list.

Gary and Karen Beasley, 2780 Central Blvd., Eugene, 342-1997. Sunbeam Tiger.

T. Lee and Angelina Hewitt, 2525 Adams St., Eugene, 345-1369. Volkswagen.

Rodney Moorehead, Rt. 3, Box 188, Eugene, 345-4973. Volkswagen.

CROSS CURRENTS

Eight members of eescc participated in OMI's championship autocross at Jantzen Beach Speedway on January 8. Results are not known at this time, but we hope to have them for our February Full Chat.

eescc has joined WOW Autocross Council. Membership in this organization allows us to participate in the WOW autocross championship and to schedule our events without conflicting with other area clubs. Marty Vomund and I attended the meeting held at Portland on January 7; we applied for membership and were accepted. If there are any questions contact eescc's WOW Representative, Ted Long, 343-6128.

THE TITANS ARE COMING

During the months of February, March, April, and May, eescc will again present the Shell History of Racing films. This four part

series is undoubtedly one of the finest samples of racing footage assembled, and it would profit every member to see the very great of a bygone day: Nuvolari, Caracciola, Rosemeyer, Chiron, Fang, Fagioli, Von Brauchitsch, Stuck, Seaman--even mad Mercedes manager Alfred Neubauer.

ANOTHER MG B?

Don Grouch, our Rallye Chairman, has replaced his Healey 3000 with a new MG B. Rumor has it that Don is getting back on the autocross trail when his B is broken in. Let's get 'em, Don.

See "The Flying Mantuan" in the immortal P3 Alfa. See the fantastic supercharged Mercedes on the Monza Autodrome. Don't miss the mighty Auto Unions at the Nurburgring. A spectacle unrivaled by even John Frankenheimer. Adults only. No one under 16 will be admitted?

MICHELINS?

Anyone with information on Good Year Blue Streak Sports Car Specials, 450X15, is asked to get in touch with the editor, Ted Long, 343-6128. These Michelins are driving me nuts!

NEW YEAR'S RESOLUTIONS

We are proud of the members of eescc who have responded to and participated in the events of other area clubs. The willingness of eescc members to drive long distances to compete in autocrosses and rallyes is encouraging and shows a great deal of enthusiasm. Our club has been very well represented at several past events, and it is to be hoped that we shall continue to support the sport of motoring in all its aspects during 1967.
