A WORD FROM THE EDITOR

We would like to offer our apologies to those participants in the "Ghoul's Gallop" Rallye held on 29 October. It had been announced in the November newsletter that dash plaques would be sent as soon as they were ready; however, it has been brought to our attention that not all of them were distributed. It is hoped that they will be mailed soon, though.

And while we're on the subject, what about dash plaques for the "Oktoberfest" Scavenger Hunt on 9 October? These were promised but never sent.

Thank you for your patience.

T. S. Long, editor

MARCH MEETING

The March meeting opened with the customary introduction of guests. Visitors included Tom Ankney, Eugene, Chevrolet; Delbert Craighill, Eugene, Dodge; Ron Dunlop, Eugene, Sunbeam Alpine; Fred Ehlers, Eugene, Ford; Pat Jones, Creswell; Sharon La Follotte, Eugene; Elliot Long, Eugene, VW; Charles Ramsdell, Eugene, Sunbeam Alpine.

Guests at an eescc monthly meeting receive two complimentary copies of Full Chat. This has been a standard practice since the newsletter's inception and will continue. We

hope our guests enjoy receiving Full Chat and find it informative, useful, and entertaining.

WELCOME

eescc would like to welcome Tom and Bettie Lichty to the club. They live at 535 W. 20th Ave., Eugene, 344-4610; and they drive an MG B GT.

AW SHUCKS!

"Icebreaker I" was . . . er . . . moderately successful. A total of 229 cars entered and ran our first autocross--this in spite of the fact we closed early so we could distribute trophies. Thanks are due mainly to the efforts of all the club members who worked, the timers, and our flagman, Holly Hill. eescc is particularly grateful to Holly for keeping the cars running quickly and efficiently through the whole day.

Thirty one trophies and a tire guage were awarded at the end of the day. We ran out of dash plaques at car #168, but an additional 100 have already been ordered and should be ready for distribution in a very short time.

"The Naturalist's" and Tony Lum's films of the event will be shown at our April meeting. Both films are very good, and the exploits of most eescc members are visible for all to see.

Thanks again.

CROSS CURRENTS

Results posted in Full Chat for these members will be official. Place standings will be recorded only on receipt of the sponsoring club's official result sheet. There will thus be an occasional time lapse between the event and the announcement in Full Chat.

Twenty one members took trophy runs in "Icebreaker I" on 26 February. The results are listed for their place in class (if among the top five); and their overall standing is in parentheses:

Dave Duncan, Porsche 911, A Class (61)

Nancy Green, MG B, J Class (160).

Results have also been received for the SSCC "March Wind Slalom" on 5 March at the Medford Go-Cart Track. Ken Bender and his Cobra took the 1st in A Class trophy, the TTOD trophy, and set a new track record. Marty drove his MG B to 2nd in E Class and I placed the Lotus 4th in the same class. Steve Cassani drove his MG A to 4th in F Class. Erskine Wood, Corvair, 5th Sedan I. Bill Guldager drove the Orange Crate to 3rd in Modified Class. Penny, driving the Lotus, received 2nd in Ladies I. And Nancy Roberts' 4th place finish in Ladies I was done in a Corvair.

ACH DU LIEBER!

Dave Duncan has purchased a Porsche 911. And our president, Erskine Wood, has ordered a Porsche 912. If this sort of thing continues, MG B owners will soon be outnumbered. Bill Guldager has also purchased a new car--an Isetta 300! Do you think you can tow the Orange Crate with that, Bill?
