

LARISON ROCK HILLCLIMB 2002

2. **We have a MANDATORY noise restriction of 85 dba**, due to environmental considerations. If you have questions, call ahead and ask.
3. All entrant cars must have seat belts and shoulder harnesses or straps.
4. All helmets must be **Snell 90** rated or newer. We have a few loaner helmets.
5. Roll bars are required in **all open top cars**. Integrated roll bar, e.g., Corvette, Porsche, etc., are acceptable. Roll bars are *highly recommended in all cars*, especially modified and production cars. The roll bar must be above the driver's head, be adequately braced, and be constructed to GCR specifications. We may request you to sit in your car at tech with your helmet on so we can see if it has proper clearance.
6. Entrants must wear **LONG** sleeve shirts and long pants made of **cotton or Nomex** while driving. Nomex driving suits are **highly recommended**.
7. Fire extinguishers of 5BC rating or fire systems are mandatory in all cars, and unless they are Halon they must have a **CURRENT (WITHIN 1 YEAR) tag! Extinguishers must be securely mounted to the vehicle structure with metal brackets**. Remember to be careful with fire as this event is held in the beautiful Willamette National Forest.

8. Driver's side window must be up during your run, or drivers must use a window net or arm restraints.
9. All cars must have spark arrester mufflers.
10. At the hill, **no smoking is allowed except inside vehicles on the paved road**. This is a Forest Service requirement.
11. Driver's meetings are **MANDATORY**. First runs may be forfeited if meeting is missed. We will have a sign in procedure.
12. **No practicing on the hill before or after the event. This will be grounds for disqualification if confirmed. Speed limit in pit areas is 5 MPH. Speed limit on the rest of the hill except during timed runs is 35 MPH.**

Additional rules and regulations will be distributed at registration and may be given verbally at the drivers' meeting. You can read most of these in advance on our website at <<http://www.eesc.org>>.
