Willamette Pass Recap!

Wow, again this club showed that getting out of town for an event is no problem. We had over 100 drivers each day at the top of the pass. Tim and Peggy Steck put together two really fun courses. They were definitely driver's courses, with the emphasis on driving

skill, not course location skill. Both days were technical, yet open enough for some real fun. See the result sheets for the lowdown on the class winners.

Wouldn't you know, there was a bicycle event that weekend. A 24hour race, so as usual, parking was cramped, but it all worked out. We talked with the riders, and we will try to avoid the conflict next year. But the bike riders were great and we all got along. As you can see from the IROC contenders sheet in this issue, these events help set up some real competition for year end trophies, IROC qualifiers and Shootout qualifiers. There are at least 14 classes to be decided.

Kudos, for all those that got there early and set up the parking lot, it made the weekend a lot easier.

Thanks again to the magic chef, Jerry Braunberger for his usual top notch barbeque!

Speaking of out of town events, check out the entries from EESCC that are going to the National Tour this weekend in Packwood Washington. www.scca.com We will be well represented, and I think we will bring more than our share of trophies back to Oregon!

Events # 7 & 8 and IROC

It seems like the year just started, and then the last two series events are upon us and we are staring our last chances to improve our class positions and qualify for IROC. Rumor has it we will have an GT car for IROC this year! OK that stands for a Grand Tank!

We will be setting up the course Friday evening so come on out, help with the setup and maybe get a jump on your competitors. As always, we will reward those that help Friday, Saturday evening and Sunday evening.

For those of you who have not seen how IROC works, it is a "friendly" competition between all class winners. The class winners get one shot in the same car on an entirely different course. The winner's name is held in confidence by Pat Ezard until the banquet in November. It's a real hoot.

Remember, if you run 5 events, you will get a year end trophy so make sure you qualify if you haven't already. The trophies are always super thanks to Bonnie.

So let's race!
