EE SCC Novice Cheat Sheet

These steps are designed to help make your life as a racer easier on your first day or as a refresher. Do the following steps in this order and don't skip any. You are a Novice for your first race day only.

1. Register at the "Registration Trailer".
2. Obtain course map near the registration trailer
3. Take your car to the "Tech Area" for inspection and help with numbers and class if needed
4. Tech Car at "Tech"
5. Walk the course several times referencing the course map
6. Listen for "Novice Course Walk" announcement and report to the start line (anyone can attend)
7. Listen for the "Driver's Meeting" announcement and gather near the "Timing Trailer" (REQUIRED)
8. It's best to observe the first half of the session and race in the 2nd half
9. When it's your time to race, bring your car to the "Grid Area" and follow the directions of grid workers
10. Ask questions of other racers, we're all here to help
