The club purchased a new radar gun with a hard case and a gun that interfaces with a reader board.

Event 5 and 6 Planning

Alicia Andrews reported DaWayne Kerbs will tow the timing trailer and Dave Andrews the registration trailer. Set-up will be at 3:00 p.m.. Jerry Braunberger will lay out the parking grid. Dave Andrews will organize the trailer after Larison. We will need the Billy Goat and volunteers to blow off the course area. Lorin Wamsley reported we will be the only group at Willamette Pass. Also, for those interested, they do not use powdered eggs.

New Business

SCCA National Event Packwood

Jerry Braunberger reported that a number of EESCC members attended the event. He encourages people to go to a national event. Everything is bigger and faster. Jerry did an awesome job of warming the tires for Jason.

Pro Solo Event

Bonnie and Jim reported they had a lot of fun at this event. Bonnie mentioned some clubs are experiencing burn out in the membership and we all need to continue to get new people involved.

Monthly Meeting Venues

Jerry Braunberger brought up for discussion whether it would be a good idea to look for another meeting venue and report at the next meeting. The acoustics are not good at the

current location. Everyone bring your ideas to the next meeting. Be sure they are available the 1st Wednesday of every month to accommodate us.
