One of the most sought after personal goals at the Larison Rock HillClimb, as well as several other NHA events is getting into the under 2 club. If you ever get the chance to run the timer, one of the most fun times is watching a car that is just around the corner, and the clock is still under 120 seconds and seeing if then can beat the magic 120 seconds.

The list of members, arranged by fastest times, with each member listed in their fastest class, shows that pure race cars, (formula cars and sports racers) have only the first 10 overall spots. Of course the Hill record holder, Dwight Gilliland, is at the top of the list, with the fastest lady on the list, Susan Hagaman, in the number 3 spot.

The fastest "door slammer" is the Corvette of Bill Cooper, who did a 108.638 (OSPO). The fastest Street Prepared Car was Bill Cooper (not listed), who had a 111.904 (ASP) in his Z06 Corvette with Tim Steck close behind, who did it in 112.706 (ESP) in his Camaro. The fastest Stock Class car to break the 2 minute barrier was Tim Steck (not listed), who did a 113.933 (AS), in his Pontiac Solstice. The fastest Street Mod car was Robert Steck, who did a 111.283 (SM) in his Subura STI.

There are members who have broken the 2 minute barrier more than once in different classes, with Dave Kipperman doing it in 5 classes (GT3, HCP, OSPO, SPO, SPU), Brad Moffett doing it in 4 classes (OSPO, SM, SPO, SPU), with others doing it in three classes; Jim and Bonnie Mueller (FA, FC, FL), Tim and Peggy Steck (AS/ASL, BS/BSL, ESP/ESPL), Robert Steck in (OSPO, SM, BSP) and Harry Cadell (GT2, GT3, OSPO). There are a total of 80 drivers who are members of the Sub-Two Minute Club.

And last but definitely not least with the slowest time of the club, a 119.998 (BSP) for Bill Baugh.
