### Old Business

#### Event 3 and 4 Recap

Ruben Cruz reported the courses were fun. Bonnie Mueller stated a few cars exceeded the sound limits and we need to be taking care of that. Valley River security had issues with one of our participants speeding around VR center. Ruben Cruz spoke with that person and ejected them from the property. Ruben expressed his disappointment with only having 5 people Saturday evening to change the course and setup for Sunday.

#### Venue Update

Lorin Wamsley reported he will be contacting Weyerhaeuser in August per their instructions. We are currently still on for Willamette Pass in August and Creswell in September.

#### Car Classing Methodology

Bill Randleman will present at the next meeting

#### Larison HillClimb Update

Bonnie Mueller had the following updates:

- There will be 6 runs instead of 4
- There are 39 drivers to date and registration is still open
- She and Jim finished blowing the hill and it looks great
- Lots of helpers this year.
- Potties will be delivered no later than Friday at noon
- Had a great worker meeting

#### Event 5 and 6 Planning

Jim and Bonnie Mueller will go up to Willamette Pass Thursday prior to events 5 and 6 to take the registration trailer and blow off the course lot. We need someone to bring the trailer back and tow the 2<sup>nd</sup> trailer to and from Jerry Braunberger is working on that. Tim Steck will order the potties.

#### EESCC PAX Values

Tim Steck presented his EESCC PAX values and the comparison between EESCC and the SCCA PAX. He did this for fun. We'll still be using SCCA PAX.

#### Dyno Day Recap

Ruben Cruz reported approximately 40 cars participated. The lowest horse power was a Honda hatchback at 50 hp and the highest a Vet at 600+ hp. Ruben will locate our scales.

#### 2014 Banquet Update

Bren Wamsley reported that the banquet committee had their first meeting. The theme this year is "Do You Recall?". Based on the survey and the club meeting, we'll have some kind of trivia type game. Jim and Bonnie Mueller volunteered for this project. Bren asked if someone

had a projector we could borrow for the banquet. Bonnie feels she has one available, but will verify. .

#### Road Clean-Up

Mueller's will not be available for the August 16<sup>th</sup> road clean-up so it was decided to change the date to August 23<sup>rd</sup>.

### New Business

#### DVD Monitor

Jim Mueller would like to remove the DVD monitor and player from the registration trailer as a winter project. In place of the monitor, Tim Steck will create a sponsor banner beginning with the 2015 season.

#### FM Transmitter

Bill Randleman suggested we consider using a FM transmitter for our announcer which will reduce the volume required on our PA system. The club already owns a FM transmitter and Bill will try it out at the next event.

#### Schedule Flyer Party

The flyer party is scheduled for Wednesday, July 9th 5:30 pm at Jim Mueller's old office.
