### **Old Business**

#### Old Equipment Storage Update

Tim Steck will talk to the Viper Club in Washington and see if they have interest in our old timing equipment. Bonnie Mueller will provide Tim with their email address.

#### Larison Rock Recap

Bonnie Mueller reported we had around 36 people participate. Peggy Steck earned Queen of the Hill and Dave Kipperman King of the Hill. The potties were not delivered Friday evening. Bonnie called and they were delivered Saturday morning. YAY!! A mountain bike group was in the area. They drove up the hill in a large van with several mountain bikes on top. They drove under our antenna that was stretched across the road quite high, but not high enough. One bike was damaged and the antenna. The club took care of both and learned a lesson.

#### Event 5 and 6 Recap

Jerry Braunberger reported the weather was great and everyone liked the courses. Our turn out was down. We had 81 on Saturday and 75 on Sunday. He gave many thanks to the following: DaWayne Kerbs for helping chair the event in Bert Jacobson's absence; Bonnie and Jim Mueller spending 6 hours blowing off the course on Thursday; Cat Rice and Halli Williams for lining our parking grid; Tim and Peggy Steck for setting up timing, and Alicia Andrews for taking over in Ruben Cruz's absence. Jace Ocker thanked Jerry Braunberger for not running in to him after he stalled at the finish line. Jai Porter's band was playing Saturday evening at Odell Lake Lodge. Mueller's enjoyed her performance.

#### Willamette Pass Venue / Future

Lorin Wamsley reported at this point in time the venue is not in jeopardy. He spoke with Willamette Pass. Evidently late Saturday, the fire level increased from 2 to 3. The Forest Service was not aware we were running up there. Willamette Pass leases the land from the Forest Service. We don't know what will be required next year. We may need a permit. Our Willamette Pass Representative indicated the parking was out of control. There can be no vehicles or motor homes off of pavement, no stoves or barbecues. He didn't understand why the Forest Service was concerned with the generators. We may need a waiver next year as we do for Larison. We may consider running in late July in 2016 to beat the fire danger. Mosquitos are bad in June so probably won't do that. We will put together a Do and Don't list for next year's event flyer.

#### Adopt a Highway Clean-up

Bonnie Mueller queried how many people will be attending the clean-up. We'll meet Saturday, August 15<sup>th</sup> 9:00 am at Superior Tire in Goshen. Pizza and beer will be provided by the club at Roaring Rapids after the clean-up. Let's see who has the most unusual find.

## New Business

### Event 7 and 8 Planning

Bonnie and Jim Mueller will Chair the September 19<sup>th</sup> and 20<sup>th</sup> events. Alicia Andrews is working on IROC. We'll discuss trailer towing at the next meeting. Bonnie will verify Ruben Cruz has ordered the potties. Bonnie will contact Cindy Lee food cart and also make her aware of Shootout.

### Shootout

Jerry Braunberger reported he had been contacted by Jack Gassaway of ACCO to co-op Shootout with them on October 10<sup>th</sup> and 11<sup>th</sup>. There was no opposition. Tim Steck offered to provide timing. Lorin Wamsley will check on the Creswell site. ACCO will reimburse our expenses. Jerry will co-ordinate between the 2 clubs.

### Blower

Jerry Braunberger felt bad Bonnie Mueller didn't have an easy way of handling the blower to clean the course at events 5 and 6. He wanted to come up with a way to weld a piece on the blower that would make the task easier. It will be explored.

### Registration Trailer Brakes

Nick Kerbs reported the brakes are not working on the registration Trailer. Jerry Braunberger volunteered to have them fixed.

### Schedule Flyer Party

The flyer party will be held at 5:30 pm Tuesday, August 11th at Jim Mueller's old office.

## Adjourn Meeting

The meeting was adjourned at 8:05 pm

Respectfully Submitted,  
Bren Wamsley, Secretary
