events at Valley River Center. The pavement is getting old and the surface isn't holding up. Our events accelerate this deterioration, and they don't have the funds to resurface the lot. They have been very, very good to us for many, many years.

Obviously this means, that as always we are looking for new sites. Any ideas you have, please let us know. Lorin Wamsley will entertain any locations or ideas.

But now let's have a great one last time here. IROC is on Sunday, so check the publications to see if you are in the running.

More Information and registration forms will be included in the August/September newsletters. You will be able to register on-line via our website, www.eescc.org.
