Old Business

501(c)(3) Update – No update

Sponsor Gift workshop – Everyone helped, we all signed the cards, Bonnie addressed them with the sponsor name, Bren stuffed the envelopes and Lorin handed them out to sponsors that were present and he will deliver or mail the rest. The gift was a \$25 Starbucks card and a thank you card.

Roadside cleanup – Bonnie – There were 11 people participating. The weather was nice and we all enjoyed pizza and beverages afterwards. 31 bags +/- of garbage were filled. Best thing found was a tool box of tools and an unopened container of Hydraulic fluid found by Larry Moseguard.

Sweet Home site – Lorin – He was able to contact the man's wife and talked to her. He still needs to get in contact with the person responsible. It was suggested to have a face to face meeting with coffee or something. He is not sure that offering to pay or rent the site will be enough to get them to let us use the site.

Year End Trophies – Tim and Peggy Steck – We brought the trophies and handed out what we could. Had people take trophies to others winners that they will have contact with. The trophies were a light blue t-shirt with all the class champions listed on the back, along with the logo for the Axe and Saw 2020 season sponsor.

New Business:

Larison/NHA – Mike Glass – The NHA meeting will be a zoom meeting scheduled for November 19th. Mike will share the joining information when he gets the email. He reported that SCCA is wanting to get involved with NHA and create a west coast Hillclimb series. It is uncertain if this will be a good thing or not. It will be discussed at the annual meeting. The original bylaws for

NHA were found and are need to reviewed. They have never been updated since initially written and it's questionable whether they are being followed or overstepped. Larison is tentatively scheduled for July 3rd and 4th.

Newsletter release- Jim Mueller –Will create a November newsletter.

Additional Agenda Items:

EESCC proposed Event Dates – Lorin and Bren Wamsley – They presented proposed event dates for 2021. They were discussed and agreed upon, but we will have to wait and see what venues we can get and when. We all agreed we would like to go back to HooDoo and Roseburg and that the last event weekend should be at VRC if available next year. David Boyd sent Lorin the ACCO proposed schedule for 2021 and they presented dates that do not conflict.

Coffin derby race car - Bonnie Mueller– While there was no coffin race this year due to Covid, there was a display of the coffins that raced and Bonnie tried to get ahold of a few people to take the club coffin down and participate in the coffin display. No one responded to her emails.

Next Year's Sponsors – Lorin – All of the sponsors present committed to renewing for next year. Lorin also reported several others will renew for next year.

Trailer Equipment – Bert Jacobson – Specifically the fire extinguishers need to be re-certified. Bert said he will do this and put them and other equipment he has back in the trailer.

The meeting was adjourned at 8:03.

Next Meeting: November 4th, 2020, it will take place at Bert Jacobson's shop at 6:30
