### **Old Business**

**501(c)(3) Update** –Bruce Harmon went to Bridge City event in Portland and acted as an ambassador. He spoke at the drivers meeting and got good feedback. Bert Jacobson, John Schmidt, Lorin Wamsley, Jerry and Licia Shultz met with Jim Merryman. He had lots of good information. Jim will contact the Mid-Willamette Valley Economic Development group and help us get a meeting with them first and then we go on to meet with the Linn County Commissioners.

The April meeting will be on the 15<sup>th</sup>. John Schmidt will send out the meeting invite.

**Ice Breaker Recap** – Group discussion- Good Courses, lots of gates missed, will probably be one of the highest missed gates events this year. There were 114 entrants. There were 24 Novices, Priority One brought a bunch of them. The owner paid for his employees to drive the company cars in the event and they had a lot of fun. The Mopar group from Roseburg came with their assortment of Chargers and Challengers.

**Bonnie's additional agenda item.** There was a lot of problems with spectators that were not EESCC participants or friends or family members that refused to follow the Covid rules. The Spectator area was on the river side of the lot and we had no way to keep people out and could not force them to wear masks or sign our waiver. We will have to address this at our August event.

**Larison/NHA** – No Mike Glass, Bonnie provided updates. They had a meeting on March 8<sup>th</sup>. The registrar will be Steven Brantley. They got a lot accomplished, but still have a few things to figure out. Bonnie asked the club for permission to purchase 4 or 5 more of the big silver fire extinguishers that are used for the Cold Fire solution. They cost \$82 each. It was approved as they are used at all events. Bonnie will find out if we need more Cold Fire solution powder.

**Road Side Cleanup** – Bonnie – Scheduled for Saturday April 10<sup>th</sup>. Meet at 9am at the gas station on Hwy 58 by mile post 3.

### **New Business:**

**Calendar Theme Contest** – Tim Steck – Lorin Mueller was close, but he didn't respond to Tim's email that he must enter his guess on the website. The Guess the calendar theme contest is still open.

**Event 1 & 2 planning** – Bert Jacobson – The plan is to reuse Tims course from our first time there with some modifications. The track should be clean since there are a few events there before us. Cindy Lee cannot come, but Gina the Hot Dog Lady will be there. Trailer delivery is arranged, Mueller's will bring the timing trailer and Hope Mueller will bring the Registration trailer. Two wash stations and one pottie are ordered. We had some discussion if the pottie was needed. Bert responded that DCF requires the wash stations due to Covid, so Bert ordered the pottie as well and it can go in grid. Setup will be sometime in the afternoon when enough people are there.

**Bonnie's Contest** – She is waiting for more pictures. No change this month.

**Loaner Helmets** – Bonnie – SCCA has extended the use of Snell 2005 helmets for 2021. We ended up having more loaner helmets that thought and several were sold. Loaner helmets are still by reservation only.

**New Easy Up** – Per request, Tim ordered a new club easy up that has the club website address and logo on two opposite panels and the EEMSP website address and logo on the other two opposite panels. The frame is here and waiting for the top. It will be here in time to bring to Roseburg.
