Old Business

501(c)(3) Update – Licia - Next meeting is Wednesday the 13th, at Jamie's house and will be a B Bar Q. Bring a side dish if you like. The raffle winner at 3 & 4 was Bryan.

John S – Website - Jeremy is working on finishing the website, the donations area is more intuitive. It's ready for Tim, bonnie and John to have meeting with Jeremy to go over website.

Venues – Lorin Wamsley – – VRC ready for us at the end of August, We Probably can't use the fit place. WP is ready for us. \$10 a night for camping, RV, Campers, Motorhomes only, tent camping is free. No Hoodoo this year.

Trailer insurance for theft – Bonnie – save for next month. Bert recommended to take pictures of stuff while out of trailer and then try to value items.

Event 3 & 4 Recap – Fine, was a little wet. No complaints on the course. The course was fun. Sunday flowed better than sat. The course was just reversed for Sunday.

Helmets – Bonnie – Finally came in and all but one person has theirs. All paid for. 18 or 19 total helmets. Three extras for sale. Good until 2034. We have 12 loaner helmets, that's enough. Tim suggested we get the helmet liners like was discussed previously. We'll charge for people who use a loaner helmet and give them a liner, or charge for liner and give them a helmet to use. They can re-use their own liners. Helmets are primarily for drivers. Bonnie will get some liners ordered. We'll figure out the rest.

Larison Rock HillClimb Recap – Mike - It's over, went pretty well. The usual volunteers were there and much appreciated. The road is getting worse and times are getting faster. One car was destroyed; one car moderately damaged. 46 drivers. Had 6 fire extinguishers for sale, and

none were sold. New volunteers, Ted Legard, and Shawn Donaldson came and were really helpful. Shawn passed away Monday after the event.

Brothers car collection – Simon – He read Salem newspaper article to us. We choose Sept 25th, Sunday afternoon 1 to 4pm for our visit. We choose 100 for the number of people. Club has sent \$1000 to reserve our spot. Only EESCC Members can purchase tickets, but can purchase tickets for non-members also. We did this to keep ticket purchases from getting out of hand.

New Business:

Event 5 & 6 – Bert will not be there on Sat, may be there for Sunday. Need to plan cleaning. Rent another blower, so we have two blowers. The plan is for the Thursday before the event to blow the lot. Bert can be there, Hope volunteered too, Jim and Bonnie too, Thursday 10am for lot cleaning. Hope will do the course. Jamie will help. Lot dogs will be there.

Additional Agenda Items:

Tim – display batteries, one battery died. Tim tried to order replacements and they are not available. He found ones that will work and ordered them. He ordered two, so we have the same ones to use and since one went out, the other is not probably far behind. We picked up one display to test and the display was full of ants and eggs, inside and out. Took it apart and sprayed and cleaned. Ewwww!

Bonnie – possible venue. She and Jim went for a drive and checked out a Burn out event on a lot at Glide, right on 138. Sonny Smith's son participated. There is a big Lot down there, that is interesting. . It's on Google Earth. Pavement is nice. Bonnie will give info to Lorin for him to contact and inquire.

Jamie – camping at WP. Should not be first come first serve. Just say camping available. Then no issue with reserving spots for all of us who work the weekend.

Tim – calendar theme has not been guessed.

Licia – Sent card that was signed to Parker (Jenna's son). He sent a nice thank you.

Newsletter release – Next week, after the event.
