NOISE RESTRICTIONS

At the Roseburg event, there were several cars that were very loud. Two that stood out were a brown RX7 and a red Pickup, but there were others as well. We can probably get away with their excessive noise at the Roseburg venue, but even there we don't want to offend the powers that be.

Please, we'd love to have you at our Eugene events, but you will have to put meaningful mufflers on your vehicles or we will not be able to let you compete. We cannot jeopardize our sites.

ROSEBURG

As always, Roseburg was a blast. Tim Steck had a great course that worked both ways. Bonnie was up late Friday night and ruined a lot of restaurant napkins trying to figure out how to run it backwards, and do an IROC as well.

Both days featured hang on and drive courses. There was a double "Bonnie Box" (aka Chicago Box), that nobody complained was too tight. The course also featured a 70' slalom course and a neat set of parallel line gates that were just tight.

Saturday was gorgeous, warm and clear. We had 122 drivers, and we gave them each five runs. Oops. This made for a really long day. The result sheet and resetting the course were finished in total darkness.

Sunday well, it dawned wet. The first run group was run on wet pavement, but it got quite dry for the second run group, except for poor Larry Mosegard, who ran last in the Kart. It just dumped on him. He bagged it after a couple of runs, and swam back to the pits. The afternoon runs were dry again and things were a little more normal. Also, we, of course, had the IROC. This time we we're stylin' in a new fullsize Chevy extra cab

pickup. The winner was: sorry you've got to come to the banquet to find out.
