## Old Business

### Venue Update

Lorin Wamsley provided updates on the following venues:

- Willamette Pass – Lorin Checked in with Willamette Pass and they indicated everything went great during our August event. They are looking forward to having us again next year.
- Valley River Center – VRC will clear the lot on Friday, September 22<sup>nd</sup> and sweeping will be done the same day. Insurance is in place for events 7 and 8 and the contract is signed.
- Coca Cola – Lorin is still trying to make contact with Coca Cola. No return calls.
- LCC – Lorin talked with LCC. We could only run there in the summers. There might be a possibility Mid June through August.
- Sweet Home – Licia Shultz reported here is no airport there
- Roseburg – Bert Jacobson questioned whether we could hold an event on the race track. Lorin will follow-up.

### Event 5 and 6 Recap

Jerry Braunberger reported there were no incidents. There were 89 drivers on Saturday and 93 on Sunday. Courses were fast as normal. Comments were made regarding Jerry's great course design. The Forest Service dropped by and accepted some ride-alongs..

### Road Clean-Up Recap

Bert Jacobson reported 8 people participated in the clean-up. There were a total of 26 bags. Hopefully more people can participate at the next clean-up.

### Generator Update

Jerry Braunberger reported he had 3 quotes. It was stated that there is no urgency to purchase now since we have 2 loaners for the end of season. There is a possibility that a club member may donate a generator and we can also watch Craig's list. Peggy Steck suggested that we check EBAY since there will most likely be a lot of over stock generators available due to the recent hurricanes.

### Porsche Club Event

Dan Mullin announced that the Porsche Club event has been cancelled due to lack of participants.

## Triple Threat Dallesport

Bert Jacobson attended this event and encourages others to come out next year. He would like to see 2 EESCC teams. This year's EESCC team took first place. There are 3 different events; drag, drift, and autocross.

## Donations

Jerry Braunberger donated hydraulic bottle jacks as part of the tire changing kits that are now in each trailer and Bert Jacobson donated the lug wrenches for trailer tire changing purposes.

## New Business

### Event 7 and 8 Planning

Hope Mueller and Keith Olsen will be chairing events 7 and 8. Keith shared the courses and indicated the IROC course will need to be redone due to course logistics. The following was discussed:

- Jerry Braunberger will see that the trailers are there
- Setup will be at 5:30 pm Friday September 22<sup>nd</sup>.
- Doug Drouet will tech. DaWayne and Nick Kerbs will be absent.
- Bert Jacobson will reconfirm potties; 2 regular and one handicap

### Cindy Lee Donation

Licia Shultz asked whether the club would be willing to send a generous donation to Cindy Lee. She is currently in a rehab facility due to a fall. Everyone thought this would be a good idea and will run it by Bonnie and Jim Mueller. The comment was made to not use the "Go Fund Me" account. Send monies directly to Cindy Lee since "Go Fund Me" gets a portion of the donation.

### Gear for Trash Pickup

Elijah Miller queried whether we could have trash pickup tools at the work stations.

### Electronic Newsletter Release

Jim Mueller will produce the late September or early October newsletter.
