### Yokohama Advan AD08 285/30/18 tires

Nearly new AD08s with five autocross days on them. \$1500 new. They are too wide for my 8" rims. If you have an EVO or other fast car with 18" wheels, these are awesome tires for autocross, track day and street. **\$400.**

### RX-8 "yellow dot" front sway bar with poly bushings

Used 3 seasons on my MX-5 **\$90**

**Koni Sport Shocks** for 2006-2013 "NC" MX-5/Miata, ~28k miles, include FatCat bumpstops, packers and bumpstop cups. This is the setup that was on my car for C-Stock.

**\$400.** Also willing to exchange struts.

### Shifter Kart

#### Tony Kart Extreme chassis

**Yamaha 125** kart engine, top end recently rebuilt and runs great! less than 5 hours, including warm up time, 6 spd trans shifts flawlessly 45 degree steering wheel adapter with a nice suede steering wheel.

I have a kart stand to go with it, but it doesn't break down or fold up, so it is local pick up only in Bend.

**Willing to sell engine separately** Includes carb, ignition, K&N air filter, and pipe with silencer. The pipe is double ceramic coated silver and can be polished to look like chrome.

**Complete Kart: \$2800 OBO**

**Engine Only: \$1150 free shipping to lower 48 states.**
