

July "Sunset Rallye"

Attached are the results of the July rallye. We had a good turnout, and those who made it through had a great time.

Sick Spies:

Fellow member - Dick Spies - who cracked up his Falcon wrote the club a letter. Here are some excerpts: "Thank you very much for your thoughtful card...I guess I caused a lot of commotion down in Klamath Falls over the fourth of July....Things are pretty good now though....I bought a '63 Falcon hardtop and I still have the cobra engine, 4-speed, and big tires....I will be looking forward to seeing you again when school starts in the fall. Yours truly, Dick (Falcon Killer) Spies.

August Rallye:

Ron and Fred have whipped a little poker rallye for Saturday, August 27th. It starts at 8:00 pm at the Eugene Bi-Mart parking lot, corner of 18th and Chambers. Admission is \$2.00. Naturally there will be trophies and dash plaques. All cars invited.

September Rallye:

Bob Tennent is going like a house a fire on this rallye. He is to be commended for putting forth so much effort. So far, by visiting other clubs, he has 32 people interested. He has contacted clubs in Corvallis, Salem, and Portland.

He is looking for workers on the rallye. He is planning to have three people for each check point. To lure workers, he is planning to have a pizza party the night before plus free dash plaques for each worker. If you would like to work the rallye, give Bob a call at 746-5656 before September 24th.

The rallye is Sunday, September 25th. Registration is at 8:30 am to 9:30 am. It is a 200 mile rallye on all paved roads except for one stretch of well-packed gravel which lasts for .15 of a mile. He has adjusted the speed accordingly. Price for members will be \$2.50; non-members \$3.00.

Booze:

We held quite a lengthy discussion during our August meeting about drinking during club events, and decided to set the policy of no drinking allowed unless previously cleared. Prior to this time, there were no specific policies about drinking during club functions. Nuff said.

September meeting:

Our next meeting will be at the EWEB cafeteria on Wednesday, September 7th at 8:30 pm. The movie (I hope) will be "Formula I - 1956", a flick about seven GP races in 1956.

If anyone has any tremendous ideas on where to meet this winter and spring, bring them up at the meeting.

Also, we will be holding nominations for officers for the forth-coming year. This is a chance for people who want to help the club grow as it has in the past. Let's nominate people who really want to serve.

New cars in the club:

Ted Long has purchased a Lotus Elite; Don Crouch, an Austin Healy 3000, and Roy Koch, a VW. Clarke Skogsberg still has his Mini, but now all eight valves are working, and he is running Caddies off the road.

Joint rallye:

Capital Corvette Club is very interested in holding a joint rallye with us on September 11. They need 4-5 people to help out on an Albany to Tillamook rallye. This would be good for inter-club relationships.
