eesc "Sunset Rallye"

Again I serve last minute notice for this month's event, eesc is sponsoring a night rallye to be held this Saturday, July 16th, starting at the new Tiffany-Davis store on Coburg road (in Eugene):

Registration: 7:30 - 8:30 pm
First car out: 8:00 pm
1 trophy per 10 cars (guaranteed 3 trophies)
Dashplaques for all cars
Seat of pants only
Some unpaved roads
\$2.00 - members
\$2.50 - non-members

Springfield Autocrosse

Seven eesc members entered in the Springfield Autocrosse co-sponsored by SCCA and the Springfield Jaycees. If you have ever wondered how much a VW can take, one was flipped going around the carousel, pushed back upright, and continued onto the finish line.

Ron Green drove his MGB to 2d in class D while yours truly received 3d in class H. Other eesc entries were Don Crouch, Ted Long, Bob Tennant, Ed Ehrlich, and Jan Walling. Jan helped to promote the autocrosse.

Toothy Badges

After considerable discussion as to whether or not to have gear teeth on the club bumper badges, eesc members put the issue to a vote and the teeth won. The badges have been ordered and should take about seven weeks to arrive. Cost to members will be one dollar in addition to the three dollar initiation fee.

Ted Long was quickly elected chairman to set up a participation point system after he brought up the idea at our last meeting. Under a point system, members would accumulate points for winning or working in events and a trophy would be awarded at the end of the year for the person with the most points.

June tour

Seventeen gathered to make the eesc tour and picnic on June 26th. A good time was had by all and the weather could not have been more perfect.

New members

We would like to extend our welcome to a new couple, Bob and Marilyn Nielson. Bob drives a 1938 MG-TA, yes I said a TA. Bet you didn't think Eugene was lucky enough to have one. It is a real classic which is in beautiful condition. You can add his phone number and address to your membership list:
2875 Emerald St. - Eugene Ph: 343-3527.

Future Events
