P.O. BOX 725 , EUGENE , OREGON

OCTOBER NEWSLETTER

editor: E. Wood

ANNUAL BANQUET

The annual banquet for outgoing officers will be held Wednesday, Oct 19th at the Driftwood, 509 1/2 Main St in Springfield, at 7:00 P.M. Guests of Honor will be Fred Jasmer and Ron Green, outgoing president and vice president. All members are invited to attend but at their own expense. (sorry, we can't quite afford 46 dinners)

HALLOWEEN RALLIES

The "Witches Twist" rallye, held annually by WMC, will be Saturday night, Oct 22nd in Salem. Anyone wanting details call Bob Tennant 746-5656.

EEESC will follow the next weekend with "Ghoul's Gallop" and as implied by the name will be a gimmick rally in tune with the occasion. Time out is 8:00 PM at the Eugene Bi-Mart parking lot. A trophy and 2 plaques to be given (plus dashplaques?) Helpful equipment will be a flashlight, phonebook and map. Rallymasters: Ron Green and Chuck Cutting.

TDS * POKER RALLYE

Bob Tennant has consented to pass up a trophy to put on the TDS-poker rallye November 12th. (I think Bob is running out of space on his trophy shelf and needs time to build another one. Registration for the rallye will be 7:30 P.M. with first

car out at 8:00 from the Springfield Bi-Mart lot. 3 trophies guaranteed and dashplaques. \$1.75 members, \$2.00 non-members.

OCTOBER FEST SCAVENGER RALLY

How often have you just happened to find an empty Blitz bottle with three ants inside? Perhaps you keep a live fish on hand just for such events as Don Crouch's scavenger hunts. Those who entered the Octoberfest on Oct 9th were put to the test by finding twenty five such items. I trust everyone got those 3 1/2 pounds of ice near the end of the scavenger hunt because Don weighed it in at the end. (sorry, "melted" ice doesn't count) Much thanks to Jim Bennett, owner of Sports Car Service, Ltd., for the use of his ranch, and to Don and Roy for drinking all the beer.

A WORD FROM THE PRESIDENT

As a member of EESCC and past editor I wish to express my thanks to Fred, Ron, and the membership as a whole for helping to return the sport of motoring to the Eugene - Springfield area. The club has had its growing pains during its first year, but the continuing upward growth of membership and the improvement in the quality of events give promise of better years ahead. As your new president I shall promote this growth in making EESCC prominent among other clubs in the Northwest. I see no reason why we cannot establish more annual events. I would also like to see more intra-club activities and events to provide a more informal means of getting to know fellow members. As of past EESCC events have been fairly limited as to types of events held. We have not yet held a gimmick

rally, short milage rally, hare and hound, gymkahna, funkahna, or an autocross. Keep these types of events in mind for '67.

As a last note, it is not the president who makes a club but th the members, your participation and your suggestions. May I wish the best of luck during the forth coming year to both the club and the individuals within.

Erskine Wood
President '67
