2. September Meeting -

The hottest item discussed was the new point system. By majority vote, the members approved a point championship program for participation in club activities. The purpose of such a system is to reward those members who are active and help make eescc a better club.

Ted Long, Ron Green, Chuck Cutting and Erskine Wood of the rules committee have set forth the following values for activities:

- a. Points shall be awarded for:
 1. Attendance at meetings - 4 points each
 2. Participation in an eescc event - 5 points
 3. Sponsorship of a new member - 6 points
 4. Working in an events - 10 points
 5. Chairmanship of an event (maximum 2 events) 15 points
- b. Points will be awarded as per membership; therefore, a husband and wife under one membership may not earn individual points.
- c. Officers shall not be permitted to earn points.
- d. To earn points, a member's dues must be paid at the time the points are earned.
- e. Members must submit the following on a 3x5 card (available at the meeting) and give such a card to the Vice-President by the second meeting following the event. Points awarded for attendance of meeting need not be submitted as they will be taken from the roll sheet.

1. Member's name	2. Event name
3. Date of event	4. Type of participation - worker, chairman, etc.
- f. Two trophies will be awarded annually at the November meeting for points accumulated between Oct 1 and Sept 31 of the club calendar year.

Anyone with nominations for offices, contact Bob Tennant, Ted Long or Erskine Wood. We will be voting at the October meeting.

3. The Concours D' Elegance, despite the threatening weather, was a moderate success. Ron Green and Fred Jasmer were judges. Nancy Green, and Penny Long helped with the paper work. Tom Rhea, Bob Tennant, Ed Tennant, Clarke Skogsberg, Ted Long, Don Lyons, and Tom and Marilatt Hill all helped direct cars. If you didn't get dashplaques, I will have them at our September rallye. Thanks to you all for helping out.
