

## EESCC Autocross Events 1 and 2

Saturday and Sunday, May 4<sup>th</sup> and 5<sup>th</sup>, 2002 at Monaco Coach in Coburg

Due to the possibility that Monaco Coach may be running production crews on Saturday and Sunday, we will not be able to use some of the parking areas that were normally open to us. Therefore, in conjunction with Monaco staff and the Lane County permit department, we have established the parking layout shown on the reverse side of this flyer. The "no parking" signs along Coburg Industrial Way will be covered for the weekend to provide on street parking for our events. As noted, tow vehicles and trailers need to park along the east side of the street to prevent blocking the views of vehicles entering and leaving the Monaco parking lots.

Please refer to the legend at the bottom of the schematic and note that #4 is now a large gravel lot that can be used for trailers or cars. Also, note that tech (#6) will be along the east curb of the "competition vehicle only" parking area (#1).

Please notify those spectators accompanying you of their designated parking (#7) and viewing (#8) areas. Spectators are not allowed beyond the taped off areas or any other area where competition vehicles are moving (i.e. grid, grid access, race course). Also, any barked areas are off limits. While we are on the subject, you may also pass along our other concerns; no littering, no alcohol on premises, obey all traffic laws, and overall good behavior. If anyone is caught racing or making excessive noise off the course, they will be asked to leave immediately!.

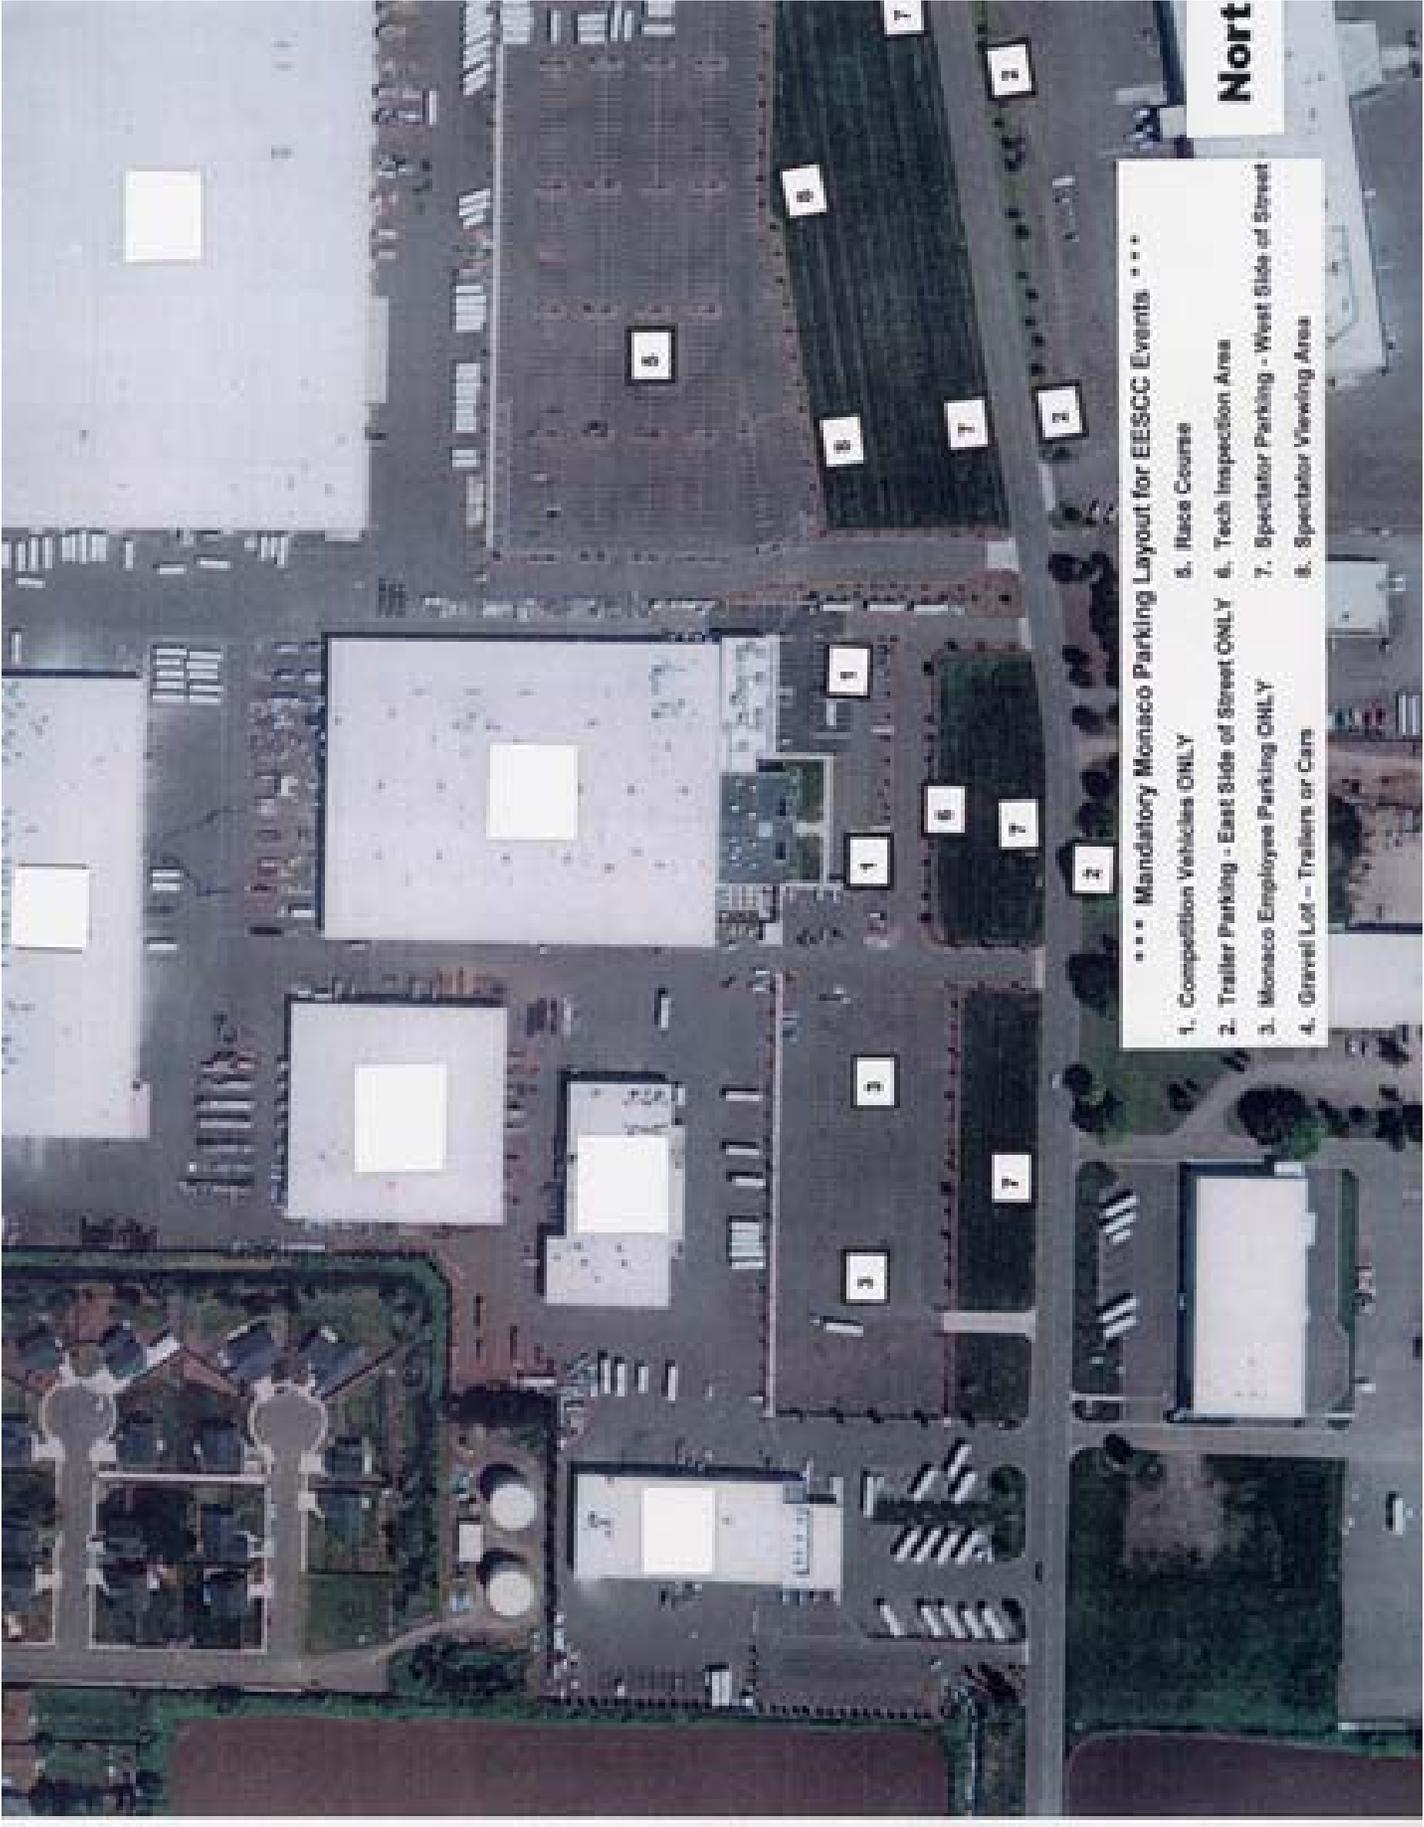

**\*\*\* Note: There has been a change in class groupings.  
Make sure you don't miss your runs!**

Saturday	7:30 – 8:45	Registration and Course Walk
	9:00 – 12:00	A-H & S Stock, A-F & S Modified, A-F Prepared, Sport Truck
