#### Larison HillClimb business

The T-shirts have been ordered for Larison.  
Last Saturday, June 29<sup>th</sup>, we held the clean up day at Larison. Lorin Wamsley swept the hill on Sunday. The road looks great and is clean and ready to go.  
Pit numbers will be painted on Friday, July 5.  
45 drivers have registered this year which is down from 62 last year.  
The dinner is set and the cost will be \$12.00 per person. The profits will go to an Oakridge Charity of the catering groups choice.  
We will have the 50/50 raffle at the hill with 50% going to the Oakridge volunteer fire department.  
Bonnie Mueller suggested that we raffle off a helmet to raise money. Last year we had a set of wheels to raffle to raise money for the fire department and it was successful.  
There will be a representative from the forest service visiting the hill on Sunday.
