JUST DO IT!

Well, now that IceBreaker 36 is behind us, it's time to look forward to the spring and summer autocross events hosted by the various clubs around the Northwest. Besides our 2002 series of 8 events, the Oregon Region – SCCA in Portland is putting on 10 events this year and the Siskiyou Sports Car Club in Medford has 8 events scheduled at their great facility. Also, the Willamette Motor Club in Salem will be running 6 points events this year.

Then, of course, there are the SCCA Divisional and National events where you can see how good you really are. It's true that the air of competition is pretty thick at these slug fests, but it's still a major hoot. And you'll find that where you placed is not nearly as important as just being there.

The Northwest Hillclimb Association also has a number of great events this year including our own Larison Rock Hillclimb. So, as you can see, nearly every weekend from IceBreaker to the November

banquet can be raced. And, even though we really like our club members, we urge you to GET OUTTA TOWN!!

To help you with this endeavor, whether it's a short trip in state or a summer vacation across the country you might check out www.grassrootsmotorsports.com and click on "clubhouse". This will give many of the national, regional, and independent clubs and their contacts for event schedules and information. You could plan a trip that allowed you to autocross in every one of the contiguous 48 states except well maybe we just won't go there. By the way, while you are at the GRM cyber site you'll see that our own Emerald Empire Sports Car Club is listed under the "independent clubs" button. We've hit the big time now!!

Have a great season and I hope to see you on the road!
