wet winter and I'm itching to get out of the garage and race. I've always considered Icebreaker to be the first day of spring, even when it was in February. So get your cars ready now and don't wait 'till the last night to install the new engine and let's get this season underway!

Let's see if any mechanics at Edge get any sleep that weekend.

As before, we will have Icebreaker and full year registration on line. PLEASE, IF AT ALL POSSIBLE, register and pay online ASAP. It will make all the registrars and timers lives so much easier, and get you on the track quicker!

Be aware, Icebreaker will be \$5.00 more as usual, so we can help pay for the calendars. The rest of the event prices are the same as 2008.

Bonnie is doing the course this year and I'll bet this will be a good one!

Please, make sure your car is at 96db or less this year, as we need to protect our sites. They are getting scarcer.

(Please note the test and tune flyer enclosed. It will be the same format as last year.)

Your Humble Editor, Jim Mueller
