Old Business

Event 7 and 8 Recap

Bill Randleman reported we had a good turn out on Saturday, but we were short on workers on Sunday. We may need to re-class our drivers. Tim Steck will rerun his yearly re-class report and send to Bonnie Mueller and Bill. A number of concerns were expressed:

1. Barefoot worker – Bonnie will revise rules to prohibit barefoot workers
2. Red flag not waived with 3 cars on course and the lead car stopped – need to continue to re-educate course workers during driver's meeting.
3. Pit bikes were biking inappropriately
4. Workers girlfriend was lying down in course worker area

IROC Recap

Pat Ezard reported we had a winner and a bunch of losers. We had around 32 drivers. TireSport donated tires for the "Ford Focus". It was a great course.

OSI

Jerry Braunberger volunteered to create the EESCC OSI course map. Alicia Andrews reported that Taylor's Chuck Wagon would provide food on Saturday and Café To You on Sunday. The insurance is ordered. Lorin Wamsley will order the sweeping to be done. Ruben Cruz will order the potties. Tim Steck is working on barcoding all the pre-registrations.

2013 Event Dates

Bren Wamsley queried whether there are any proposed date conflicts at this time. Bonnie Mueller contacted the forest service regarding Larison's date, but hasn't heard back yet.

Club Copier

Tim Steck reported the change to printing courses in the morning instead of the night before has gone very well.

Banquet

Bren Wamsley asked that everyone please sign up for the banquet. It makes the planning much easier if we know how many people plan to attend. At this time we have 24 signed up.

Most Improved Driver Award

Bill Randleman presented the possible candidates to receive the Most Improved Driver Award for 2012. The final decision was made.

Guaranty Venue Status

Bonnie Mueller asked what the status was on the Guaranty Lot. Lorin Wamsley stated he had planned, as previously reported, to contact the owner of the property after the OSI event and will report his findings at the next meeting. Other venues were brought up as possibilities for

2013 should we not be allowed to race at Guaranty. They included: Canyonville Truck Stop by Seven Feathers, Brashers Auto Auction, Marathon, and Roseburg Fairgrounds.
