

Meeting Minutes September 7, 2016

Attendees: 11 Jerry Braunberger, Bert Jacobson, DaWayne Kerbs, Bonnie Mueller, Hope Mueller, Jim Mueller, Licia Shultz, Peggy Steck, Tim Steck, Patty Walters, Russ Walters

President, Bert Jacobson called the meeting to order at 7:03 pm.
Licia Schultz read Secretary, Bren Wamsley's minutes from the August 3rd meeting in her absence. They were approved as read.
Treasurer, Jim Mueller presented the Treasurers' report and it was approved as presented.

Old Business

2016 Blind Autocross Chair

Bert Jacobson reminded us that there was no one who has stated an interest in being the chair of this event and now we lack the venue as well. Let's look into it again next year.

Radio Report

Jerry Braunberger has nothing new to report. He has been on a cruise in the Northeast US and Canada. Russ Walters said that he has talked with folks at Mycom. They have rental radios that we could use for free if we are willing to hang their banner. We would be using their license and it would give us a chance to try them out before we make a purchase. If they are too expensive, Mycom may be willing to work with the club to get us a better deal.

Event 5 and 6 Recap

Jerry Braunberger reported no one went off the track. Watching Nate's runs looked pretty scary! Everyone showed appreciation to Bonnie and Jim Mueller for all their hard work in cleaning the race surface. The interaction with Willamette Pass was good. After the race weekend the forest service contacted Lorin Wamsley and were not happy that we did not obtain a SUP for the event. It was our understanding that we are covered under the existing Willamette Pass permit as one of their regular events. This seems to be a problem that the two agencies need to work out and let us know what they want us to do. There was lots of positive feedback from folks who attended the events.

OSI Update

Bert Jacobson stated that since we have lost the Creswell venue, we won't be able to host the OSI event. Probably will be hosted by the Willamette Club. Jack Gassaway will let us know how this progresses.

Road Clean-up Recap

Bonnie Mueller said that there were 9 club members who came to work. They started at 9am and were done around 11:45 then went for pizza and drinks on the club. The next schedule clean-up is set for November 5th. Bonnie would like to see about 16 people help next time. It would make the job so much easier if there were enough people to share the load. Bren Wamsley will be tasked with sending out an email reminder. There was some discussion about starting at 8 am. We will discuss at the next meeting.

Venue Update

Bonnie and Jim Mueller visited an old mill site in Sweet Home. Lorin Wamsley will be looking into it as a potential new venue for us. We may consider having 2 different event weekends at

Willamette Pass for next year. Is this something we should negotiate for? Is there enough club interest? Work with Brashers to set calendar dates without conflicts.

Banquet

There was a request for Bren Wamsley to send out another banquet reminder.

New Business

Event 7 and 8 Planning

Tim Steck presented the course maps and they were approved. Bert Jacobson ordered the potties. Set-up is on Friday, September 23rd at 5:30 pm.

IROC Planning

Sunday IROC will be hosted by Jeff Childers with help from Russ Walters and Licia Shultz. Bert Jacobson will ask Ruben Cruz to help with renting an automatic for the event. The track map was approved for this event. Jeff will be responsible for the videos and photos of the drivers. Russ will be taking care of the timing. We want to have discussions about how to make this a good experience for all involved parties. Bert Jacobson will work out the details with Jeff Childers and Jason Braunberger regarding display of the video at this year's awards banquet.

Club Inventory

Jerry Braunberger is updating the club's inventory. He will be removing items that have been sold and adding anything new in the timing trailer. Each item will need purchase date and amount paid on the inventory list.

Detailing Party

Jerry Braunberger would like the club to hold a detailing party on the registration trailer. It needs some attention before wintering. We need to discuss at the next meeting.

Electronic Newsletter Release

Jim Mueller is scheduling the September newsletter release for shortly after event 7 and 8 results are posted.

Newsletter Assignments

Bert Jacobson said that he will look for some new people to write articles at the next events driver meetings.

Adjourn Meeting

The meeting was adjourned at 8:20 pm

Respectfully Submitted,

Licia Shultz, Bren's Side Kick

Homework Assignments

News Articles will be written by the following individuals and are submitted to Bren Wamsley (BreWams@comcast.net) no later than the first Friday following the monthly meeting.

OCT	Russ Walters	NOV	Ruben Cruz	DEC	Simon Levear
