Old Business

Venue Update

Lorin Wamsley provided updates on the following venues:

- Brasher's – Lorin did make contact with the general manager and he said he didn't think it would happen, but will run it up the pole and get back to him. The Go Karts that ran there previously were stopped.
- Roseburg Douglas County fairgrounds – We will be running events 3 and 4 at the fairgrounds. He is waiting to hear back about camping. We are allowed to park in the grandstand parking lot.
- Linn County fairgrounds – Linn County really doesn't want us there. If we were to run the weekend cost to the club would be \$3000.00.
- Saginaw – He still needs to check it out.
- Lowe's Distribution Center in Lebanon – There is a lot going on there all the time, but Lorin will make contact.

Radio Update

Bonnie Mueller had Lorin Wamsley report that she received approval from the Medford club to rent their radios for Larison this year. The cost will be \$100.00. Jerry Braunberger presented his radio report with numerous options. The club had a lengthy discussion and agreed that we would rent the MyComm radios for Event 1 and 2 and will be discussed at the next meeting to decide whether we purchase or continue to rent.

May Rally

Bonnie Mueller had Lorin Wamsley report that we need several couples to volunteer for check points. Bert Jacobson and friend and Licia and Jerry Shultz volunteered. Simon Levear stated the event would begin at 2:00 pm and we would be to a restaurant by 5:00 pm. He queried whether we should have a school this year just prior to the event. It was agreed that we should. He has already checked in to renting a room for 1 hr at the Willamalane Regional Sports Center for a nominal fee. He will send an event flyer to Bren Wamsley.

Road Clean-Up

Bonnie Mueller had Lorin Wamsley report that she was unable to confirm a new location for road clean-up at this time. Bonnie requested a list of available sites, but ODOT wants us to find a spot to clean up and they will let us know if it's available. We'll keep Goshen for now and a reminder the next clean-up is April 1st.

Scavenger Hunt Cancelled

Bonnie Mueller Had Lorin Wamsley report that she didn't have time to put the Scavenger Hunt together, but promises she will plan one for next year.

Event 1 and 2 Planning

Bill Randleman brought his course map design for events 1 and 2. There was much discussion and changes may need to be made to start and/or finish. Jerry Braunberger has the trailers ready. Setup will be on Friday, 3/10 at 5:00 pm, Valley River Center. Lorin ordered the sweeping.

Appointed Positions

Bert Jacobson stated Jeremey Bunker will co-partner with Ryan Rabern to run the Sound Meter.

She also brought up the need for more supplies. Jerry Braunberger will take care of the tape and Licia will contact Bonnie Mueller regarding the numbers and letters.

Pre-Registration Form

Russ Walters stated the CAM C, T, and S classes had not been included in the pre-registration form not allowing him to register. Bren Wamsley will forward this information to Tim Steck to modify the form.
