### **Old Business**

#### Venue Update

Lorin Wamsley provided the following update:

- Valley River Center – VRC is ready for us this weekend.
- Douglas County Speedway – The insurance issue got resolved and we are ready to race there on 6/9 and 6/10.
- Sears – Lorin still needs to make contact.
- Brownsville Music Festival - Lorin contacted them to use for our Dirt Rally. They said no. Winter crops go in directly after the festival and that's too late as it is and prior to the festival they are in the middle of harvesting. Hope Mueller suggested looking at an area off of hwy 228, Crescent Hill Drive just before Holly for the dirt rally. Lorin will follow-up
- Bert Jacobson stated he would contact the owner of property directly behind his house. They have a large horse pasture that may be good for the dirt rally.

#### 2018 Event Dates

Bren Wamsley reported the only date in question is the dirty rally cross. We are still trying to find a field venue. September 16<sup>th</sup> is the preferred date.

#### Calendar Update

Tim Steck stated the calendars and business cards are done. They will be handed out at Event 1. There will be a prize for the calendar theme again this year. He will make mention of the contest on the website.

#### 501C3 Foundation Update

Licia Shultz reported that we had our first planning meeting at Bert Jacobson's home. Thirteen people attended. A second meeting is scheduled for April 18<sup>th</sup>, 6:30 pm at Bert Jacobson's home. Dinner will be provided, but please RSVP. The purpose of the 501C3 is to establish a foundation that qualifies us to receive charitable contributions. This will allow people making donations to write-off on their taxes. The feeling is it will be more feasible to have a sports park of our own in the Linn or Benton county areas. Board positions will remain the same on this project.

## Website Contacts

Bert Jacobson stated we still have open positions for the following:

- Event 7 and 8 Chairs
- Waiver Coordinator
- Banquet Chair.

If interested, please contact Bert.

## Event 1 and 2 Planning

Cheryl Baugh reviewed the design of the course map. The second day will be reversed. There were concerns that overlap is needed.

## Radio Update

Bonnie Mueller discovered she had been given incorrect information. The radios she purchased are legal in the US. She had purchased 11 used 5W Kenwoods. She also found a great deal on 13 used 5W ICOMS. The purchase included two 6 pack chargers. She will monitor battery life. We need 8 working at any time. Jerry Braunberger will tag each radio.

## Road Cleanup Reminder

Bonnie Mueller reminded everyone that the next cleanup is Saturday, March 31<sup>st</sup> 9:00 am HWY 58 milepost 3.

## Billy Goat Update

DaWayne Kerbs announced that he had completed the attachment of the blower to Tony's Quad. Many thanks were given by Bonnie Mueller.

## Larison

Bonnie Mueller provided an update on the HillClimb. The flyer is on the website. Registration will open on 5/12/18. Anyone interested in helping out contact Tony Chilton, Doug Drouet, or Alan Bowers.

## TSD Rally

Simon Leaver brought the TSD Rally Flyer. He needs 3 ½ check point crews. Bert and his buddy, Jim and Bonnie Mueller, and Karl and Hope Mueller volunteered. We are only in need of one more person. Cheryl Baugh confirmed that we have the Sizzler reserved for the training class.

## T-Shirts

Hope Mueller announced that the light gray EESCC T-shirts have arrived and will be for sale beginning Events 1 and 2. She ordered 50 in various sizes. We will charge 20.00 for members and 25.00 for non-members.

### Drones at Venue

Bert Jacobson queried whether everyone was fine with Mark McFarland using his drone at VRC. His drones are quiet and everyone agreed to it. Tim cautioned that any videos uploaded to the website will be free to the club.

### Electronic Newsletter Release

Jim Mueller will produce the newsletter around March 16<sup>th</sup>. It will include Event 1 and 2 results, TSD Rally Flyer, and Road Cleanup reminder.
