Old Business

Venue Update

Lorin Wamsley provided the following updates:

- Old Dominion Freight Lines – Lorin contacted them and they do not want us to hold events at their site
- Sweet Home – Lorin talked about our site visit to the old mill in Sweet Home. It was determined there may be a large enough space to hold our events, but it would require a lot of clean up. Lorin contacted the Linn County Property Manager and was told that they would not allow any events of any kind on the site while it is in their possession.
- For next year we currently have Willamette Pass, Roseburg, and possibly Hoo Doo.
