Old Business

501(c)(3) Update - Licia Shultz- Our next meeting is planned for August 19th 6:03 pm., at Bert's shop. The Development Team added two new members.

Banquet -Licia Shultz- It is still too early to book any kind of park with a covered outdoor kitchen space for a large group. The group sites have to be booked within 30 days of the event. We will set the date as soon as we can make a reservation. We are aiming for early October, preferable the 2nd weekend of October. We will have pre-registration so we know how many attendees to plan for.

Event 3 & 4 Recap— Keith Olsen -_The event went fairly well; the courses were fun. We had 84 people on Saturday and 69 signed up for Sunday with quite a few not showing up. Jody Leder stayed to help pick up the event Sunday and he saw the amount of work it takes to tear down and pick up after an event.

We the issue of people signing up for both days and then now showing up for Sunday with no notification. It made worker positions difficult to fill, especially in the afternoon. Several people volunteered to work all afternoon. It was very much appreciated. No refunds will be given to these people who no-showed Sunday. Bonnie noted on their registration cards.

We are going to start asking people to notify the Registrar if they signed up for both days, but will not be coming on Sunday.

Tech – Racers were given a form to fill out to self tech and were to take their helmet with the filled-out form to tech (except for novices). There was confusion, many did not fill out the form and or took their car to tech.

Sponsor verbiage is in the timing trailer.

A lot of pre-printed numbers have been sold; it has been really successful.

Bonnie will purchase more caution tape. The double taping against the bike path worked really well to keep spectators out.

Having the registration trailer next to the course, but the opposite side of grid also worked really well.

Square – taking credit cards has really helped.

New Business:

Events 5 & 6 planning - August 29th and 30th. Bonnie and Bert will Chair the event. Bonnie said she would pick out a course, but is too busy to run the event. The usual gang will manage the event. Lorin asked if sweeping is needed. It was decided sweeping is not needed and we can blow off the course with the Billy Goat if needed.

Set up will be at 5:30 on Friday. Potties have been ordered and handwashing stations as well. A link to the flyer to be put on the home page of the web site was requested. Tim will take care of this.

Jeff Fields volunteered to help with Novices, especially with the course walk. Licia appreciated his offer and he will start at Event 5.

Newsletter release- Jim Mueller – He will get a newsletter out ASAP, so we can get the August flyer out.

Additional Agenda Items:

Road side cleanup – Bonnie suggested we should perform one roadside cleanup this year. She suggested we plan for October, the weekend after our Banquet/Picnic.

Bonnie suggested we address refunding event fees for people who paid for 8 events before the covid-19 shut everything down. It was agreed to give these people a choice of two free events in 2021 or a refund. This is special for this year as we were only able to host 6 events. **Note, pre-registered no shows do not receive a refund.**

The meeting was adjourned at 8:08

Next Meeting: September 2nd, 2020, it will take place at Bert Jacobson's shop at 6:30

Homework Assignments

News Articles will be written by the following individuals and are submitted to Peggy Steck no later than the first Friday following the monthly meeting.

Aug – Mike Glass Sept - ??? Oct – Tim Steck
