Coming from the South – I-5 exit numbers less than 170

We are about 55 minutes north of Roseburg to give you a time estimate.

1. Take I-5 north to the **first** the Cottage Grove exit.
2. Take the Highway 99 exit, (it's exit number 170), you can only go north.
3. Turn right onto Latham Road (located at the south end of the Weyerhaeuser saw mill about 2 miles off of I-5) then go to the "T" (a blinking light will be to your left) and turn right onto London Road for about 3 miles.

Coming from either direction (continued) ...

4. Turn left at Cottage Grove Reservoir Rd, for another 3 ½ miles. The sign is small and actually says C.G. Reservoir Rd. You'll go up by the dam and wind around the lakes inlets. If you miss that turn off just continue on London road and turn on the C.G. Reservoir Rd at the South end of the lake (about 3 ½ miles) and come back about 1 ½ miles to our house on Reservoir RD. Note: The latter way is less windy but almost 2 miles longer, your choice.
5. Our house (white with a blue tile roof) has two brick pillars with lights at end of the driveway next to the road. It's directly across from the Wilson Creek day use park. You can park on our grass if our driveway is full.

Our work phone number is (541) 767-2100 and it rings at our house.
