2016 Blind Autocross Chair

This item was tabled due to Bert Jacobson's absence.

Summer Picnic Update

Licia Shultz stated it looks like we are having a great turn out from the entries received. We'll be supplying hamburgers, hot dogs, a veggie option, salsa bar, cold drinks. She's working on getting soda pop and ice cream donated as well as some prizes. There will be a mini golf course, RC cars, and a Getting to know you game. 11 people will be showing their cars. Her only concern is drinking and driving. We should all be on the lookout.

Event 3 and 4 Recap

Jim Mueller reported it was a good weekend and a toasty one as well. We had around 100 people each day. Saturday people got lost so we put down lines for Sunday's course and we didn't have lost cars. He thanked Zeph Uusitalo for helping out. Also, many thanks to Jerry Braunberger for putting water at the workstations throughout the day.

Larison Rock Recap

Bonnie Mueller reported there were 44 drivers completing 3 runs per day. 2 Raffles were held. Close to \$700.00 will be donated to the firefighters. The Saturday evening party was very nice and Ruben Cruz did a great job as MC. Also a big thank you goes to Tim and Peggy Steck. The timing computer hard drive died Saturday evening. A lot of time was spent re-entering

timing data into a 2nd laptop. The task was completed and timing on Sunday went well. A new drive has been purchased.

Radio Report

Jerry Braunberger shared the options he discovered so far, but feels more research needs to be done. Bonnie Mueller commented since they will be used at the hillclimb as well as autocrosses so we need a dozen 5 watt units.

Banquet Update

Bren Wamsley reported the banquet committee had their first meeting. The theme is of course "50th Anniversary". Valley River Inn is charging us the same fee as last year. We will be holding a Pinewood Derby. The website will be updated this week and registration can begin.

New Business

A/C in Timing

Tim Steck stated that the new air conditioner in timing draws more power than we have available with 2 generators tandem. There were several solutions suggested and Jerry Braunberger is looking into it.

Event 5 and 6 Planning

Jerry Braunberger and Bert Jacobson are chairing this event. Jerry discussed the following:

- Jerry will confirm with Bert that the potties have been ordered
- Jerry will take care of the trailer towing
- Cindy Lee will not be able to come up
- The courses will be ready by the next meeting
- Jerry will be responsible for all RV collections and give to Bonnie Mueller
- Bonnie will disperse a check to Willamette Pass Sunday for the 600.00 venue fee plus the RV collection fees
- The Mueller's will blow the course off on Wednesday.
- Jerry Braunberger is planning on arriving Thursday
